

Your friendly neighbourhood **website nerd** is open for business.

I design, build and look after websites for the shops, salons, restaurants and trades that make our neighbourhoods feel like home. One local person who answers your messages, speaks plain English and builds a site that brings customers through the door.

Websites that sell

Mobile-friendly sites with booking, ordering or click-to-call built in.

Google & reviews

Google profile tune-ups and tap-to-review stands.

Worry-free care

Hosting, security, updates and a monthly report.

Social & ads

Posts, short videos and Meta or Google ads that bring in local customers.

Built for: salons & barbers · restaurants & cafés · trades & auto · grocers · clinics & professional services

LAUNCH OFFER · FIRST 5 CLIENTS

Main Street website

\$999

 regular \$1,799

- Up to 5 pages, online booking or ordering
- Your Google reviews shown on the site
- Google profile tune-up + 3 tap-to-review stands
